

All domestic extremism incidents by month

Since 2015, people with **right-wing** views have been involved in 267 plots or attacks while attacks and plots ascribed to **far-left** views accounted for 66 incidents.

Right-wing incidents by month

More than a quarter of right-wing incidents and just under half the deaths were caused by people who showed support for **white supremacy**.

Nearly one-third of right-wing incidents were caused by people who showed support for **anti-minority** sentiments, including views that are antisemitic, anti-Asian or anti-LGBTQ.

Dozens of incidents targeted **religious institutions** such as predominantly Black churches, mosques and synagogues. In 2015, most of the religious institutions that were targeted were predominantly Black churches.
